

## Real Estate

Residential Imagery  
Commercial Imagery

## Inspection

Water Level Fluctuations  
Vegetation Conditions  
Roof Inspection  
Storm Damage  
Bridge Inspection  
Power Line Inspection  
Tower Inspection  
Safety Inspections  
Asset Inspection

## Survey

Engineering Design Surveys  
Slope Stability Surveys  
Drone Imagery Support in ALTA Survey  
Topographic Survey  
Planimetric Survey  
Hydrologic Survey  
Thermographic Survey  
Magnetic Survey  
Survey and Asset Modeling  
Land Survey  
Right of Way Mapping  
Planning and Progress Reporting/Final Payments  
Site Security

## Construction

Post-Construction "As-Built" Data  
Roof Inspection  
Construction Pictures  
Drone Surveying for Construction "Take-Offs"  
Stockpile Volume Calculations  
Asphalt Overlay and Pavement Staging Scenarios  
Drone Surveying for Drop Structures For Drainage  
Complex Storm Water Drainage/Storage  
Critical Slope Analysis  
Waterway Mapping/Waterway Enhancements/Remediation  
Erosion Mediation  
Drone Imagery for Drainageway Improvements  
Stabilization Projects  
Drone Imagery to Assist in Flood Control  
Pre-Construction and Construction Corridor Mapping

## Agriculture

3D Terrain Model  
Drone Imagery in Support of Geohazard Remediation  
Earthwork Analysis/Production Tracking  
Vegetation Encroachment and Analysis  
Soil and Field Analysis  
Crop Monitoring  
Irrigation

## Under Water

Submersible Drone Services by Request

## Insurance

Claims Adjustments  
Risk Engineering  
Fraud Reduction  
Sensor Data  
Bathymetric LiDAR  
Bathymetry  
LiDAR  
Magnetometer  
Thermal

## MWR Events

Company Team Photos  
Promo Videos  
Picnics  
Parties  
Crowd Attendance  
Outdoor Events  
Time-lapsed Progressions

## Media Support

Cinematography  
Photography  
Miscellaneous

## Security Classification

U, FOUO, S  
As determined by customer

## Special Missions

Incident Reconstruction  
Site Balance/Haul Planning  
Search and Rescue  
Machine Control Digital Surface Models (DSM)  
Damage Assessment and Emergency Response  
Asset Operational Health and Efficiency

## Expeditionary Services

Local pilots or US pilot deployment as determined by customer

## Product Deliverable Types

High Resolution Aerial Images  
Time-lapsed Progressions  
Panoramic Image  
Customized Views and Angles of Subject

## File Format

Image	Video
JPEG	AVI
PNG	MP4
TIFF	MOV
DNG	AVCHD
Camera Raw	
PSD	
PDF
